

# ECO SMART PEST CONTROL GUARANTEE

**FLEABUSTERS** guarantees the eradication of **Flea** infestation on these premises (excluding yard) for a period of **6** **12** months from the date of application. In case of re-infestation, this guarantee provides the homeowner with reapplication at no charge. Guarantee is prorated during months 11 and 12. Guarantee is void only if instructions below are not followed. You can expect the flea infestation in your home to be under control within three (3) to five (5) weeks, depending on the extent of infestation. Your home and furniture are now **GUARANTEED** to be free of flea infestation provided these simple instructions are followed:

- **DO NOT** shampoo your carpet or spray liquid pesticides on treated surfaces during the guarantee period.
- **Vacuum** treated carpeting/area rugs 48 hours after treatment, then at least once a week for the first five weeks.
- **Remove** your vacuum cleaner bag and dispose of it outside the home immediately after vacuuming.

**ROACHBUSTERS** guarantees the elimination of **Roach** infestation on these premises (excluding yard) for a period of **3** months from the date of application. You can expect the roach infestation in your home to be under control within three (3) to five (5) weeks, depending on the extent of infestation. In case of re-infestation, this guarantee provides reapplication at no charge.
